

AMENDMENT TO THE OVERSIGHT PLAN OF THE COMMITTEE ON FINANCIAL  
SERVICES FOR THE ONE HUNDRED THIRTEENTH CONGRESS

OFFERED BY MR. HECK

On page 18, revise the paragraph on Export-Import Bank to read:

*Export-Import Bank of the United States (Ex-Im Bank).* The Export-Import Bank is chartered by Congress to contribute to the employment of U.S. workers through financing exports of U.S. manufactured goods and services. The charter under which the Ex-Im Bank operates expires on September 30, 2014, and the Committee will therefore consider the Bank's reauthorization. The Ex-Im Bank has been a self-sustaining agency funded by the income it receives through its financing programs. The Committee will examine the Ex-Im Bank's policies and programs to ensure the continuing fiscal soundness of the Bank. The Committee will also consider how the Bank can ensure it is not crowding out private sector involvement in export financing, especially financing for public companies, but will also review whether the current authorization is sufficient to support the global competitiveness of U.S. companies, small and large, particularly given the continuing difficulty companies have in accessing credit. Also, the Committee will continue to review the implementation of the Congressional mandates established in the Export-Import Bank Reauthorization Act of 2012.
