

Amendment to Financial Services Committee Oversight Plan for the 113th Congress

Offered by MR. WATT of North Carolina

by Mr. Henshaw to the amendment offered

On page 5, lines 17-20, amend the paragraph relating to Credit Scores and Credit Reports to read as follows:

“Credit Scores and Credit Reports. The Committee will continue to monitor the accuracy and completeness of information reported to and contained in consumers’ credit files. The Committee will explore the use of credit information in making non-credit decisions such as employment and insurance purposes. In addition, the Committee will monitor the related rulemaking, supervisory and enforcement activities of the CFPB in this area.”
