

#1

AMENDMENT TO FY19 BUDGET VIEWS AND ESTIMATES

OFFERED BY MR. AL GREEN OF TEXAS

Page 4, line 14, insert the following:

The Committee believes that the Consumer Financial Protection Bureau has a unique role in enforcing laws against discrimination in financial services. In the creation of the Consumer Financial Protection Bureau, it was understood that the Bureau would not only have enforcement authority, but the authority to prevent discrimination. The use of testing to determine if instances of discrimination at a financial institution exist is but one tool given to regulatory agencies to proactively address discrimination before the enforcement phase.
